Docket No. 568--2

(13070P1)

POWER OF ATTORNEY BY ASSIGNEE

Trimble Navigation Limited, the assignee of all interest in the patent application No. 10/721,008, filed November 24, 2003, APPARATUS FOR PRODUCING A LINE OF LIGHT ON A SURFACE, PARTICULARLY A WALL, hereby appoints

Thomas M. Freiburger
Registration No. 27,063

as its attorney to prosecute this application and to transact all business in the Patent and Trademark Office connected therewith, said appointment to be the exclusion of the joint inventors and their attorney(s) in accordance with the provisions of 37 CFR Section 3.73(b).

Documentary evidence of chain of title of the invention and application is in the form of an executed assignment from the joint inventors to the assignee identified below, a copy of which is included herewith and which has been submitted for recording in the Patent and Trademark Office.

As the assignee of all interest, I have reviewed the enclosed assignment and I certify that, to the best of my knowledge and belief, title to the invention and patent application is in the assignee as listed below.

Please direct all communications relative to said application to the following correspondence address:
